- Zero people currently on Parliament Hill, minimal people on Wellington Street
- There are no known convoys coming into the City today

- Parliament is sitting today and efforts are underway from all stakeholders to provide parliamentarians with unfettered access to the Hill.
- The crowd of trucks has thinned a bit overnight. OPS is not permitting incoming truckers from filling the open spaces and this is causing some flashpoints. Police resources are addressing this and deploying to maintain public safety
- The current status of the interprovincial bridges are as follows:

- Macdonald-Cartier – Open but reduced to two lanes in each direction
- Alexandra – Closed
- Portage (southbound) – Closed
- Chaudière (southbound) – Closed
- Champlain – Open

- First responders, health care workers and City employees are no longer being asked to use Portage to enter the City – they will need to cross over MacDonald-Cartier and Champlain bridges
